These conditions may include those necessary to insure that public services and facilities affected by a proposed land use or activity will be capable of accommodating increased service and facility loads caused by the land use or activity, to protect the natural environment and conserve natural resources and energy, to insure compatibility with adjacent uses of land, and to promote the use of land in a socially and economically desirable manner. Any conditions imposed, however, shall meet all of the following requirements:

Section 10.04 - Rehearing Process

1. Final Decisions: Except as provided in this section, a decision of the Planning Commission or Zoning Board of Appeals shall be final. The Planning Commission or Zoning Board of Appeals may grant a rehearing under exceptional circumstances for any decision made by it. Exceptional circumstances shall mean any of the following:
 - A. The applicant who brought the matter before the Planning Commission or Zoning Board of Appeals made misrepresentations concerning a material issue, which was relied upon by the Planning Commission or Zoning Board of Appeals in reaching its decision.
 - B. There has been a material change in circumstances regarding the Planning Commission or Zoning Board of Appeals' findings of fact, which occurred after the public hearing.
 - C. The Village attorney by written opinion states that in the attorney's professional opinion the decision made by the Planning Commission or Zoning Board of Appeals or the procedure used in the matter was clearly erroneous.
2. Rehearing Procedure: A rehearing may be requested by the applicant or by the Zoning Administrator, or a rehearing may be granted by the Planning Commission or Zoning Board of Appeals on its own motion.
 - A. A request for a rehearing which is made by an applicant

must be made within twenty-one (21) days from the date of approval of the Planning Commission's or Zoning Board of Appeals' minutes regarding the decision for which the rehearing is being requested.

- B. A request for a rehearing made by the Zoning Administrator or a rehearing granted by the Planning Commission or Zoning Board of Appeals on its own motion may be granted at any time as long as the applicant has not been prejudiced by any delay.
- C. Whenever the Planning Commission or Zoning Board of Appeals considers granting a rehearing, it shall provide written notice to the applicant that a rehearing will be considered. The notice may be served upon the applicant by first class mail at the applicants' last known address, or may be served personally on the applicant. The notice must be served at least nine (9) days before the time set for the hearing if served by mail, or at least seven (7) days before the time set for the hearing if served by personal service. Service by mail shall be complete upon mailing. In addition to serving the above notice on the applicant, all other notice requirements for the type of decision being heard shall be completed before the Planning Commission or Zoning Board of Appeals holds a hearing at which it considers whether to grant a rehearing.
- D. If the Planning Commission or Zoning Board of Appeals grants a rehearing, then the rehearing shall not be held until all notice requirements for the type of decision being reheard have been satisfied.

Section 10.05 - Fees

- 1. To assist in defraying the costs of investigating, reviewing, and administering zoning applications, appeals, rezoning requests from individual property owners, and other types of decisions which result in extra costs to the village, the Village Council may from time to time adopt by resolution a fee schedule establishing basic zoning fees, such as those fees related to the following:
 - A. Zoning permits
 - B. Special land use permits
 - C. Ordinance interpretations by the Zoning Board of Appeals: appeals of administrative interpretation or request for interpretation. Appeals and requests for interpretation initiated by the Village Council, the Planning Commission, or the Zoning Administrator shall not be subject to a zoning fee.
 - D. Classification of unlisted property uses.
 - E. Requests to change a non-conforming use to another non-conforming use.

- F. Requests for variances from the Zoning Board of Appeals.
- G. Requests for rezoning of property by individual property owners or amendments to the zoning ordinance text. Rezoning of property or text amendments initiated by the Village Council, the Planning Commission, or the Zoning Administrator shall not be subject to a zoning fee.
- H. Site plan reviews.
- I. Any other discretionary decisions by the Planning Commission or Zoning Board of Appeals.

The amount of these zoning fees shall cover the costs associated with the review of the application or appeal, including but not limited to the costs associated with conducting public hearings, publishing notices in the newspaper, sending required notices to property owners, postage, photocopying, mileage, time spent by zoning staff, and time spent by the members of the Planning Commission and/or Zoning Board of Appeals. The basic zoning fees shall be paid before any application required under this Ordinance is processed. The basic zoning fees are non-refundable, even when an application or appeal is withdrawn by the applicant.

- 2. If the Planning Commission or Zoning Board of Appeals determines that the basic zoning fees will not cover the actual costs of the application review or appeal, or if the Planning Commission or Zoning Board of Appeals determines that review of the application and/or participation in the review process or appeal by qualified professional planners, engineers, attorneys, or other professionals is necessary or advisable, then the applicant shall deposit with the Village Treasurer such additional zoning fees in an amount determined by the Planning Commission or Zoning Board of Appeals equal to the estimated additional costs. The additional zoning fees shall be held in escrow in the applicant's name and shall be used solely to pay these additional costs. If the amount held in escrow becomes less than ten percent (10%) of the initial escrow deposit or less than ten percent (10%) of the latest additional escrow deposit and review of the application or decision on the appeal is not completed, then the Planning Commission or Zoning Board of Appeals may require the applicant to deposit additional fees into escrow in an amount determined by the Planning Commission or Zoning Board of Appeals to be equal to the estimated costs to complete the review or decide the appeal. Failure of the applicant to make any escrow deposit required under this Ordinance shall be deemed to make the application incomplete or the appeal procedurally defective thereby justifying the denial of the application or the dismissal of the appeal. Any unexpended funds held in escrow shall be returned to the applicant following final action on the application or the final decision on the appeal. Any actual costs incurred by the Village in excess of the amount held in escrow shall be billed to the applicant and shall be paid by the applicant prior to the issuance of any permit or the release of a final decision on an appeal.

Section 10.06 - Performance Guarantee

In connection with the construction of improvements through site plan approval or special land use approval, the Planning Commission may require the applicant to furnish the Village with a performance guarantee in the form of a cash deposit, certified check, irrevocable bank letter of credit, or surety bond acceptable to the Village in an amount equal to the estimated costs associated with the construction of public and site improvements. Public improvements mean by way of example and not limitation roads, parking lots, and water and sewer systems which are located within the development or which the applicant has agreed to construct even though located outside the development. Site improvements mean landscaping, buffering, and the completion of conditions imposed by the Planning Commission, which are located within the development. For purposes of this section, the costs covered by the performance guarantee shall include all of the following: (1) the purchase, construction, and/or installation of the improvements, (2) architectural and engineering design and testing fees and related professional costs, and (3) an amount for contingencies consistent with generally accepted engineering and/or planning practice. The performance guarantee shall be deposited with the Village Clerk at or before the time the village issues the permit authorizing the development, or if the development has been approved in phases, then the performance guarantee shall be deposited with the Village Clerk prior to the commencement of construction of a new phase. The performance guarantee shall ensure completion of the public and site improvements in accordance with the plans approved by the Planning Commission. Any cash deposit or certified funds shall be refunded for the development or each phase of a multi-phase development in the following manner:

1. One-third of the cash deposit after completion of one-third of the public and site improvements;
2. Two-thirds of the cash deposit after completion of two-thirds of the public and site improvements; and
3. The balance at the completion of the public and site improvements.

Any irrevocable bank letter of credit or surety bond shall be returned to the applicant upon completion of the public improvements. If a development is to be completed in phases, then the Planning Commission may require the applicant to furnish a performance guarantee as provided in this section for each phase of the development. If an applicant has contracted with a third-party to construct the public and site improvements and the third-party has provided a bond meeting the requirements described above and the bond also names the village as a third-party beneficiary of the bond, then the Planning Commission may accept that bond as meeting all or a portion of the performance guarantee required by this section.

Section 10.07 - Violations and Penalties

Section 10.07.1 - Nuisance per se

Section 10.07.4 - Stop Work Order

If construction or land uses are being undertaken contrary to a zoning permit, the zoning enabling act, or this ordinance, the zoning administrator or deputy of the zoning administrator or any other official authorized by the Village Council is authorized to post a stop work order on the property at a suitable location, such as at an entrance, in order to prevent the work or activity from proceeding in violation of the ordinance.

A person shall not continue, or cause or allow to be continued, construction or uses in a violation of a stop work order, except with

permission of the enforcing agency to abate a dangerous condition or remove the violation, or except by court order. If an order to stop work is not obeyed, the enforcing agency may apply to the circuit court for an order enjoining the violation of the stop work order. This remedy is in addition to, and not in limitation of, any other remedy provided by law or ordinance, and does not prevent criminal or civil prosecution for failure to obey the order.

Section 10.08 - Conflicting Regulations

In the interpretation of this Ordinance, this Ordinance shall control unless there exists a conflict with any other Village ordinances, in which case the more stringent regulations will rule.
